- 8.4 The limitations of liability contained in this clause 8 shall not apply to any liability for any claim to the extent that the same is attributable to fraud on the part of the Issuer or the Parent.

9. FORCE MAJEURE

The Parent shall not be liable or responsible to the Purchaser, nor be deemed to have defaulted under or breached this Purchase Agreement, in each case, for any failure or delay in fulfilling or performing clause 5.2 of this Purchase Agreement, if and to the extent that such failure or delay is caused by, or results from, acts beyond the affected party's reasonable control, including, without limitation: (a) acts of God; (b) flood, fire, earthquake or explosion; (c) war, invasion, hostilities (whether war is declared or not), terrorist threats or acts, or other civil unrest; (d) applicable law or regulations; (e) action by any Governmental Authority; or (f) technological changes (including changes imposed by platforms or networks on which applications related to the Tokens and the TON Network would be made available).

10. LOCK-UP

- 10.1 Subject to clauses 10.2 and 11.3, the Purchaser agrees and undertakes that during the Restricted Period it shall not, without the prior written consent of the Issuer:
- (a) offer, pledge, sell, contract to sell, sell any option or contract to purchase, purchase any option or contract to sell, grant any option, right or warrant to purchase, or otherwise transfer or dispose of, directly or indirectly, the investment contract represented by this Purchase Agreement or any Tokens, or any securities convertible into or exercisable or

- (b) enter into any swap or other agreement that transfers, in whole or in part, any of the economic consequences of ownership of the investment contract represented by this Purchase Agreement or any Tokens,

whether any such transaction described in paragraphs (a) or (b) above is to be settled by delivery of the investment contract represented by this Purchase Agreement or any Tokens, in cash or otherwise; provided, however, that:

- (i) one-quarter of the Token Allocation shall be released from the restrictions in this clause 10 on the date that is three months following the Network Launch Date;
- (ii) one-quarter of the Token Allocation (which, when added to the Tokens released under paragraph (i) above, equals one-half of the Token Allocation) shall be released from the restrictions in this clause 10 on the date that is six months following the Network Launch Date; and
- (iii) one-quarter of the Token Allocation (which, when added to the Tokens released under paragraphs (i) and (ii) above, equals three-quarters of the Token Allocation) shall be released from the restrictions in this clause 10 on the date that is 12 months following the Network Launch Date.

- 10.2 The restrictions set out in clause 10.1 shall not apply to the Purchaser in respect of any transfer of Tokens to any of its Affiliates during the Restricted Period, provided that, prior to any such transfer, the relevant Affiliate has executed and delivered to the Issuer and the Parent a deed of adherence containing substantially identical terms to the terms set out in clause 10.1.

11. ASSIGNMENT

- 11.1 Subject to clauses 11.2 and 11.3, no Party may assign the benefit of this Purchase Agreement (in whole or in part) or transfer, declare a trust of, pledge or otherwise dispose of in any manner whatsoever its rights and obligations under this Purchase Agreement or subcontract or delegate in any manner whatsoever its performance under this Purchase Agreement (each of the above, a “**dealing**”) without the prior written consent of the Purchaser, in the case of a dealing by the Issuer or the Parent, or the Issuer and the Parent, in the case of dealing by the Purchaser.
- 11.2 The Issuer and the Parent shall be entitled, without the consent of the Purchaser, after having given no less than three Business Days’ prior written notice to the Purchaser, to assign the benefit of this Purchase Agreement (in whole or in part) or transfer any or all their respective obligations and liabilities under this Purchase Agreement (i) to any of their respective Affiliates; or (ii) in connection with a reorganisation of the Issuer or the Parent (including a change in the domicile or jurisdiction of incorporation of the Issuer or the Parent).
- 11.3 The Purchaser shall be entitled, without the consent of the Issuer or the Parent, after having given no less than three Business Days’ prior written notice to the Issuer and the Parent, to assign the benefit of this Purchase Agreement (in whole or in part) or transfer any or all its obligations and liabilities under this Purchase Agreement to any of its Affiliates (an “**Assignee**”), provided that the Assignee: (i) undertakes in writing to the Issuer and the Parent to be bound by the Purchaser’s obligations and liabilities under this Purchase Agreement; (ii) warrants in writing to the Issuer and the Parent that each of the Purchaser’s Warranties is true, accurate and not misleading as at the date of the assignment or transfer with respect to itself (as if each reference to the Purchaser is

construed as a reference to the Assignee); and (iii) delivers such other documents to the Issuer relating to this Purchase Agreement as the Issuer may reasonably request.

12. NOTICES AND COMMUNICATION

The Parties agree that any notice or other communication to be given or made under or in connection with this Purchase Agreement (a “**Notice**”) shall be in writing in the English language and sent to the relevant address specified on the signature page or provided in electronic form (including by email), unless otherwise specified in this Purchase Agreement.

13. PAYMENTS

13.1 All amounts payable by the Purchaser under this Purchase Agreement: (a) are exclusive of any applicable value added or other taxes, all of which shall be separately and solely borne and paid by the Purchaser (if and to the extent applicable); (b) shall be paid in full in immediately available funds to the Issuer without any set-off, restriction or condition and without any deduction or withholding (and to the extent any taxes are required to be deducted or withheld therefrom under any applicable law or regulation, then the amounts so payable by the Purchaser under this Purchase Agreement shall be grossed up such that the Issuer shall receive the full Purchase Amount hereunder); and (c) shall be paid to such account as the Issuer shall notify to the Purchaser no later than three Business Days prior to the Payment Date.

13.2 To the extent the Issuer notifies the Purchaser under clause 13.1(c) above to make the payment to an account held in the name of the Parent, the parties agree and acknowledge that the Issuer’s right to receive that payment shall be deemed assigned to the Parent in accordance with the Issuer’s assignment rights under clause 11.2.

14. INVALIDITY

If at any time any provision of this Purchase Agreement shall be held to be illegal, void, invalid or unenforceable in whole or in part under any applicable law, then:

(a) such provision shall:

- (i) to the extent that it is illegal, void, invalid or unenforceable be given no effect and shall be deemed not to be included in this Purchase Agreement; and
- (ii) not affect or impair the legality, validity or enforceability in that jurisdiction of any other provision of this Purchase Agreement or the legality, validity or enforceability under the applicable law of any other jurisdiction of such provision or any other provision of this Purchase Agreement,

provided that such severance would not materially change the remaining terms of the Purchase Agreement; and

(b) the Parties shall use all reasonable endeavours to replace such a provision with a valid and enforceable substitute provision that carries out, as closely as possible, the intentions of the Parties under this Purchase Agreement.

15. VARIATION AND WAIVER

- 15.1 Any provision of this Purchase Agreement may be varied only upon the written consent of the Issuer, the Parent and the holders of a majority, in the aggregate, of the Purchase Amounts paid to the Issuer with respect to this Purchase Agreement and the Other Purchase Agreements outstanding at the time of such variation, provided that any non-substantive or immaterial variation to a provision of this Purchase Agreement, or a variation which does not put a purchaser under an Other Purchase Agreement in a less favorable commercial position than the Purchaser (other than as reflected by the different number of Tokens subscribed for by such other purchasers), shall be effective if it is in writing and signed by or on behalf of each of the Parties. The expression “**variation**” shall, in each case, include any variation, supplement, deletion or replacement however effected. Notwithstanding the foregoing, no provision in this Purchase Agreement may be varied and the observance of any term hereof may not be waived with respect to the Purchaser without the written consent of the Purchaser if such variation or waiver adversely affects the Purchaser materially and disproportionately relative to purchasers under Other Purchase Agreements (other than as reflected by the different number of Tokens subscribed for by such other purchasers).
- 15.2 No waiver of this Purchase Agreement or of any provision hereof will be effective unless it is in writing (which, for this purpose, does not include email) and signed by the Party against whom such waiver is sought to be enforced.
- 15.3 Any waiver of any right, claim or default hereunder shall be effective only in the instance given and will not operate as or imply a waiver of any other or similar right, claim or default on any subsequent occasion.
- 15.4 Any failure or delay by any person in exercising, or failure to exercise, any right or remedy provided by law under this Purchase Agreement shall not impair or constitute a waiver of that right or remedy or of any other right or remedy and no single or partial exercise of any right or remedy provided by law or under this Purchase Agreement or otherwise shall prevent any further exercise of the right or remedy or the exercise of any other right or remedy.

16. ENTIRE AGREEMENT

- 16.1 Each Party confirms that the content of this Purchase Agreement as expressly set out herein represents the entire understanding, and constitutes the entire agreement of the Parties, in relation to the subject matter hereof and the transactions contemplated hereby, and supersedes all previous agreements, understandings or arrangements (whether express, implied, oral or written (whether or not in draft form)) between the Parties with respect thereto (including any letter of intent or indication of interest, but excluding any confidentiality agreement), which shall cease to have any further force or effect.
- 16.2 Each of the Parties acknowledges that in entering into this Purchase Agreement it has agreed not to rely on any representation, warranty, collateral contract, undertaking or other assurance (except the Issuer’s Warranties, the Parent’s Warranties and the Purchaser’s Warranties and undertakings expressly set out in this Purchase Agreement and in any applicable Rep Letter) made by or on behalf of any other Party before the signature of this Purchase Agreement, including during the course of negotiating this Purchase Agreement.
- 16.3 Each of the Parties waives all rights and remedies which, but for this clause 16.3, might otherwise be available to it in respect of any such representation, warranty, collateral contract, undertaking

or other assurance, provided that nothing in this clause 16.3 or clause 8.4 shall limit or exclude any liability for fraud or fraudulent misrepresentation.

- 16.4 Each of the Parties acknowledges that all of its rights and remedies are contained or referred to in this Purchase Agreement, and no Party shall have any other right or remedy, including a claim for innocent or negligent misrepresentation or negligent misstatement.
- 16.5 Every term or condition implied by law in any jurisdiction in relation to the subject matter of this Purchase Agreement shall be excluded to the fullest extent possible, and to the extent that it is not possible to exclude any such term or condition, each Party irrevocably waives any right or remedy in respect of it.

17. FURTHER ASSURANCE

Without limiting any other provision of this Purchase Agreement, the Purchaser shall, and shall cause its Affiliates to, execute and deliver such additional documents, instruments, conveyances and assurances and take such further actions as may be reasonably requested by the Issuer to implement and give full effect to this Purchase Agreement, including, without limitation, to enable the Issuer and the Parent to comply with applicable laws.

18. COUNTERPARTS

This Purchase Agreement may be executed in counterparts, and by each Party on separate counterparts, but shall not be effective until each Party has executed at least one counterpart. Each counterpart shall constitute an original of this Purchase Agreement, but the counterparts shall together constitute one and the same instrument. Delivery of a counterpart of this Purchase Agreement by email attachment shall be an effective mode of delivery.

19. THIRD PARTY RIGHTS

The Parties do not intend that any term of this Purchase Agreement should be enforceable by any person who is not a party to this Purchase Agreement by virtue of the Contracts (Rights of Third Parties) Act 1999 or otherwise.

20. GOVERNING LAW AND JURISDICTION

- 20.1 This Purchase Agreement and any claim, dispute or difference (including non-contractual claims, disputes or differences) arising out of, or in connection with, it or its subject matter shall be governed by, and construed in accordance with, English law.
- 20.2 Any claim, dispute, controversy or difference arising out of or in connection with this Purchase Agreement, including any question regarding its existence, validity or termination, shall be referred to and finally resolved by binding arbitration under the Rules of Arbitration of the London Court of International Arbitration, which Rules are deemed to be incorporated by reference into this clause 20.2.
- 20.3 There shall be three arbitrators, and the Parties agree that one arbitrator shall be nominated by the Issuer and the Parent, and one arbitrator shall be nominated by the Purchaser, in each case for appointment by the LCIA Court in accordance with the LCIA Rules. The third arbitrator, who shall act as the chairman of the tribunal, shall be nominated by agreement of the two Party-appointed arbitrators within fourteen days of the confirmation of the appointment of the second arbitrator, or in default of such agreement, appointed by the LCIA Court.

- 20.4 The Parties consent to the consolidation of arbitrations commenced under this Purchase Agreement and Other Purchase Agreements as follows:
- (a) if two or more arbitrations are commenced under this Purchase Agreement and/or Other Purchase Agreements, the arbitral tribunal shall have the power, upon the application of any party, to order that the arbitrations be consolidated into a single arbitration before that arbitral tribunal (a “**Consolidation Order**”);
 - (b) the party making the request shall provide copies of any request for consolidation to all other applicable parties and to any appointed arbitrators;
 - (c) in determining whether to make such a Consolidation Order, the arbitral tribunal shall take into account the circumstances of the case, including whether the arbitrations raise common issues of law and fact, and whether a Consolidation Order would serve the interests of justice and efficiency;
 - (d) if, before a Consolidation Order is made by an arbitral tribunal with respect to another arbitration, arbitrators have already been appointed by the LCIA Court in that other arbitration, their appointment shall be terminated upon the making of such Consolidation Order. Such termination is without prejudice to the validity of any act done or order made by an arbitrator prior to his or her termination; his or her entitlement to fees and disbursements, or any Party’s entitlement to legal and other costs incurred before termination; and the date when any claim or defence was raised for the purpose of applying any limitation bar or any like rule or provision; and
 - (e) in the event of two or more conflicting Consolidation Orders, the Consolidation Order that was made first in time shall prevail, unless all parties agree otherwise.
- 20.5 The seat, or legal place, of arbitration shall be London, England.
- 20.6 The language to be used in the arbitral proceedings shall be English.
- 20.7 The award shall be final and binding on the Parties and may be entered and enforced in any court having jurisdiction.
